From Critical Condition to Stable – A Story of Hope

Ume Farwa (Age 3 Years)

- When little Ume Farwa was brought to our hospital, her condition was critical. With an alarmingly low Hemoglobin level of 4, prolonged fever, and severe weakness, her life was at serious risk. Our Pediatric Department immediately took charge, providing intensive medical care, continuous monitoring & nutritional support.

Through dedicated treatment:

- Her Hemoglobin improved to 9.8
- Her fever completely subsided
- Her strength and vitality were restored

- Recognizing the family's financial constraints, all treatment expenses were fully covered by our Financial Support Department. Today, Ume Farwa smiles again—healthy and full of life.

A New Beginning Through Compassionate Care

Shumaila (Age 40 Years)

Shumaila came to us suffering from serious gynecological complications, unable to afford the necessary surgical procedure.

Our Gynecology Department stepped forward:

- She was admitted without delay
- successful surgery was performed
- All expenses were provided free of cost

Today, Shumaila is stable, have recovered well, & enjoying a healthier future.

Serving Humanity Beyond Hospital Walls

Free Medical Camp – Johar Town (Jan 25, 2026)

At Sahulat Bazaar, Johar Town, our medical team served:

- 550 deserving patients
- Free consultations, checkups & medicines

This initiative ensured accessible healthcare for underserved communities.

Free Medical Camp – Township (Jan 4, 2026)

At Model Bazar Township, 500 patients benefited from:

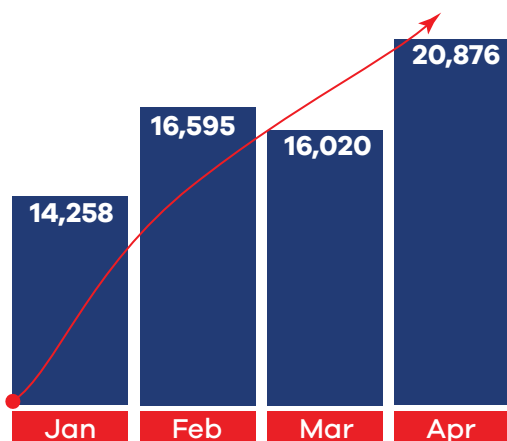

- Quality medical consultations
- Essential medicines
- Compassionate care

These camps reflect our unwavering mission to reach those who need us the most. Your support can help us extend these life-saving services to even more families.

Empowering the Future Healthcare Workforce Through On-Site Training

Chaudhry Rahmat Ali Hospital organized a Training Certificate Distribution Ceremony to recognize the dedication and hard work of 17 TEVETA students who successfully completed their intensive 8-month Clinical Assistant training program. Dr. Khalid Mehmood Awan (Medical Superintendent) shared an inspiring message, appreciating the students' commitment to learning and encouraging them to uphold excellence in their professional journeys. Mrs. Zahida Zahid (Nursing Superintendent) extended heartfelt congratulations and best wishes for their continued success.

Strengthening Clinical Excellence Through Continuous Learning

Chaudhry Rahmat Ali Hospital organized a specialized TB (Tuberculosis) Training Session for doctors and paramedical staff, aimed at enhancing their expertise in the diagnosis, management, and prevention of tuberculosis. Held in the hospital's conference room, the session brought together nominated medical professionals and clinical staff, fostering an environment of knowledge sharing and skill development.

Through such initiatives, the hospital continues to reinforce its commitment to:

- Evidence-based medical practices
- Continuous professional development
- Improved patient outcomes

Training on Advancing Clinical Protocols and Laboratory Precision

At Chaudhry Rahmat Ali Hospital, we believe that the quality of patient care is directly linked to the continuous education of our medical staff and trainees. To reinforce this commitment, the hospital hosted an intensive, interactive educational session focused on Lab Sampling & Clinical Protocols. In a high-stakes medical environment, accuracy is the first line of defense. The session was led by two of our most distinguished experts: Dr. Muhammad Farooq (Consultant Pathologist) and Mrs. Zahida Zahid (Nursing Superintendent). The curriculum focused on:

- Minimizing pre-analytical errors to ensure diagnostic accuracy.
- Implementing rigorous infection control and specimen handling protocols.
- Bridging the gap between theoretical knowledge and bedside application.

ANNUAL DINNER & GET-TOGETHER 2026

6

An Evening of Impact, Unity & Commitment

On 13th February 2026, Chaudhry Rahmat Ali Memorial Trust hosted its Annual Dinner & Get-Together, welcoming over 300 distinguished guests, including donors, corporate leaders, social activists, and medical professionals.

A unique highlight was the Calligraphy Auction, showcasing generosity of Syed Mahfooz Qutab for collective commitment toward healthcare for all.

A TRIBUTE TO THE LIFE & LEGACY OF EX-BOARD OF TRUSTEE, COL. (R) SALEEM MALIK

Chaudhry Rahmat Ali Memorial Trust organized a Condolence Reference in memory of Col. (R) Saleem Malik (Late), esteemed former Member of the Board of Trustees, a devoted patriot, visionary leader, and lifelong servant of humanity.

The gathering brought together members of the Board of Trustees & senior management to honor a remarkable individual whose life was dedicated to:

- The Pakistan Movement
- National service through the Pakistan Army
- Welfare initiatives in healthcare and education

May Allah grant him the highest ranks in Jannah. Ameen.

In a profound tribute to the remarkable steadfast dedication, integrity, & passion for serving humanity, the **Ch. Rahmat Ali Memorial Trust** honored his legacy by presenting a commemorative shield to his son, **Mr. Shahid Saleem Malik**.

Prominent Voices

Chaudhry Rahmat Ali Hospital was honored to host distinguished guests and media personalities who recognized & appreciated our efforts marking a significant moment of engagement between the hospital's leadership & prominent voices of the community.

Dr. Syed Usman Wasti, President of the Trust, provided a comprehensive overview of the hospital's current service portfolio. He detailed the hospital's unique position as a beacon of hope, providing high-quality healthcare initiatives that specifically target and uplift deserving and marginalized communities.

Dr. Syed Usman Wasti

Khalid Mahmood Rasool, General Secretary, presented the hospital's ambitious development roadmap. He emphasized that the current trajectory of modernization and facility upgradation is not merely a structural change, but a strategic vision to meet the escalating & complex healthcare needs of a growing patient base.

Khalid Mahmood Rasool

Medical Superintendent Dr. Khalid Mehmood Awan, fostered a dialogue on the sustainability of compassionate care, such high-level endorsement reinforces our standing as a premier healthcare provider and motivates our team to continue setting new benchmarks in the delivery of quality medical services.

Dr. Khalid Mehmood Awan

Mrs. Sarah Kasuri expressed her profound appreciation for the Trust's tireless dedication. She commended the hospital for its rare ability to marry high-tech medical standards with a deeply human-centric approach, acknowledging its vital role as a cornerstone of humanitarian service in the region.

Government of Punjab officials witness the impact of the Trust's healthcare model. The Deputy Director of Social Welfare, Government of Punjab, for an official inspection toured our facilities. This visit served as an important platform to showcase the alignment between our hospital's mission and the provincial government's social welfare & hospital's organized approach to healthcare delivery.

Be the Reason Someone Lives

Every day, hundreds of patients come to us with hope.
